MORTGAGES FOR SALE

We have first mortgage, real estate loans for sale that are as safe as any bond, and we can absolutely convince you if you will permit us to do so. We have been making and selling these kinds of loans for 25 years, and have sold more than \$2,500,000 worth of mortgages; have never had a client lose one dollar. The mortgages will average in amount from \$2500 to \$2250, \$2000, \$1800, \$1500, \$1200, \$700 and \$500. They bear interest at 6% per cent. No one loan is any better than another. In no case does the value exceed 50 per cent of property. No loans on fictitious valued suburban property. Our loans are on the

choice residence properties in locations where values are established. (Population of Akron 100,000) We will gladly pay all expenses to any one coming to Akron to look over these loans. We know we can convince you that they are just as we say they are. They are made for 2 and three years. We collect all interests accounts for you. All interest is paid the day it is due. We are now collecting interest on \$985,000. The title to every one of these mortgages has been carefully examined by expert attorney in this line of work. When he says the title is clear it is so.
